

Petition to **Keep Mail Processing Operations in Wilkes-Barre**

To: US Postal Service, Congressman Paul Kanjorski, All Elected Town, City & County Officials and Civic Leaders in Wilkes-Barre and surrounding communities

From: Concerned Postal Customers & Citizens, Concerned Postal Employees

We, the undersigned residents of Wilkes-Barre and surrounding communities, **do not** want the Postal Service to move any mail processing operations out of the Wilkes-Barre Processing & Distribution Facility to Scranton or any other processing centers. Such a move would affect service to customers and businesses while negatively impacting the City of Wilkes-Barre and surrounding communities. We **do not** want to lose our Postmark of **Wilkes-Barre PA**, which we are most proud of and will happen, if mail is processed elsewhere. Therefore, we, the undersigned citizens, call upon all of the above to make every effort possible to stop the USPS AMP Study of moving mail processing operations from the Wilkes-Barre Post Office before it is too late.
